

Try Climate Pro For Free

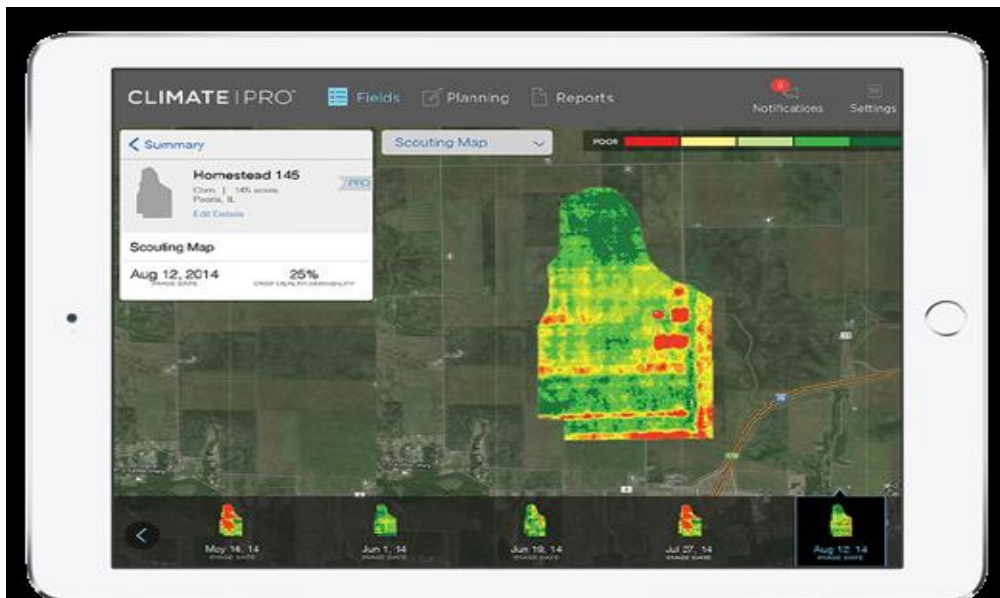

Enroll your first 250 acres for free (a \$750 value).

- No purchase required.
- If the first Climate Pro field is less than 250 acres, you can enroll additional fields to use the full \$750 credit.
- If your first field is more than 250 acres, a \$750 credit will be applied to your invoice.

Enroll The Whole Farm for \$1,500

For \$1,500 you can have your entire farm activated. Including Nitrogen Advisor for all corn acres and Field Health Advisor for all crop acres.

- Whole-farm activation will occur regardless of the crops on additional acres.
- Precision Acre farmers qualify for this offer with a 10% discount applied or invoiced acres of \$1,350.
